### Chamounix Discovery Day I- (non-riding)

Discovery Day I is 1 hour of engaging activities and information. For most children this is their first introduction to horses and stables. The Discovery Day program introduces children to a milieu of farm animals and tour the various areas of the stable that make the facility a great place for animals. This fun and educational visit introduces participants to: equine behavior, stable terminology, stable management, health and safety, and an overview of how a working stable operates. The visit culminates is an engaging hands on grooming session with Chamounix Stable's favorite horses and ponies.
